

Christian Teaching Audios and Prison Ministry

NEW! Bible Believers Fellowship, Inc. is pleased to announce that we now have our **first audio teaching message** by Anne W. Kaestner. For your donation of \$40 or more, you may download the audio directly. Or we will mail you a labeled 3 disc CD set in exchange for a contribution of \$50 or more.

If you have enjoyed reading Anne's articles in the "Christian Newsletters" section of our website, or the printed copies we publish, we know that you will enjoy our new two hour and fifty minute audio, "Sin and Redemption" even more! In this stressful world we live in, this audio provides a message of hope, comfort, and encouragement, especially for Christians who are going through a difficult trial of faith. It answers questions frequently asked by believers, such as,

"How did the church evolve into so many denominations?"

"If a baby dies before it has an opportunity to come to Christ, does it get to Heaven?"

"Can a person still get to Heaven if they commit suicide?"

"What does it feel like to have the Holy Spirit living in your heart?"

"Can a rich person get to Heaven?"

"What really is sin?"

"What is true Christianity?"

"How can I please God?"

"Is it sinful for a believer to drink wine?"

"Is it Christian to be judgmental of others?"

"Will my good works get me to Heaven?"

"What must we do to become acceptable to God?"

"If God loves me, why is He letting me suffer so much?"

"How do I deal with the rejection of friends and family when I choose to live for Christ?"

"Is it idolatrous for a Christian to love rock concerts and sports?"

"If Christ is the answer, why are there so many problems in the church?"

Anne answers these questions and others with personal anecdotes, historical information, and four decades worth of experience in loving and serving Jesus Christ. She can identify with those who suffer, and rejoice with those who have experienced God's deliverance, even when the situation looked beyond hope. Her articles in our newsletter have long been the most popular aspect of our ministry among prison inmates nationwide! We know that this three hour message will be a blessing and a comfort to all who love the Lord, are tired of the false doctrines, and want to get back to basics in their relationship with Jesus Christ.
